**REGULAR PAYMENT OF COLLEGE FEES & LEVIES BY BPAY 2021**

In 2021, families have the option of paying their student's fees and levies by regular BPay payments (weekly, fortnightly, monthly or by term) as currently exists for those paying by Direct Debit.

It is a requirement that the same conditions that exist for direct debit with respect to payment dates, apply also for BPay. Payments can commence before the required date. Payments by term must be paid by the due date on the Statement issued.

It is a further requirement that this form is signed by the parent/guardian and is forwarded to the College prior to making payment. Payments that are not received in accordance to the requirements will void this notification and render the person(s) responsible for fee payments liable for any late payment fees that may apply.
